EVACUATION ORDER LIFTED

The evacuation order for the Paradise Valley area of Ocean View Blvd. in La Canada Flintridge issued earlier today has been lifted by the Foothill Incident Unified Command.

Residents of the 64 homes affected by the order have now been allowed to return to their homes.

Unified Command has advised that based on weather forecasts that indicate additional rainfall, the evacuation order may be reinstated tomorrow (Tuesday, January 19).

Because of the threat of further debris flows, residents are urged to obey evacuation orders when they are issued.

The LA County Sheriff's Department will continue to use Alert LA and go door to door to advise residents of any new evacuation orders.
